YOUR DESCRIPTION

Situated less than a mile from Hastings' Grand Parade and the coast, and enjoying easy access to the local amenities and shops, Lauriston is a purpose-built home that provides dedicated nursing care for up to 60 people. Its single bedrooms all have en suite facilities, but the home also has a number of well-furnished communal lounges where people regularly meet up for socialising and group activities – allowing you to achieve the mix of privacy and company that suits you best.

Here, too, landscaped gardens, with their pretty flowerbeds and patio, are perfect for relaxing and taking the air, and the hair salon ensures that all residents can be very well turned out. All this combines to offer a welcome sense of community, which complements the professionalism of MHA's highly trained staff.

MHA aims to bring quality and choice to residents' daily lives, offering person-centred care in which residents make their own decisions on matters such as choosing a meal or how to pass their time. There is an activity programme that offers everyone the opportunity to socialise if they wish and professional entertainers often come by. The home is also well placed for frequent outings to the sea and local attractions, such as Alexandra Park. We work hard to support older people to live meaningful lives. MHA is committed to providing alternative therapies such as reflexology and music therapy to residents, while our Chaplain offers pastoral support to all at
