YOUR DESCRIPTION

This registered and purpose-built nursing home in West Drayton, Middlesex, provides nursing care for frail older people, and includes a specialist intermediate care unit providing rehabilitation to prevent unnecessary admission to hospital or long term care.

All of the home's 66 bedrooms (21 intermediate care beds) are single en-suite rooms with washbasin and toilet. There is lift and wheelchair access throughout, plus specialist equipment such as assisted baths and hoists.

Each of the three floors boasts a large, well-appointed dining room and relaxing sitting areas overlooking beautifully landscaped and safe gardens. Service users may also bring their own personal items to add to the homely surroundings within this nursing home.

Within 1 mile of West Drayton town centre and railway station, the nursing home is also well within reach of shops and local amenities.
