### YOUR DESCRIPTION

Our aim is to ensure that our home creates an environment which really does feel like home and where friends and family are always welcome.

The home is light, airy and tastefully decorated throughout. It has been carefully designed to offer our residents both comfort and security in a relaxed homely atmosphere and to also provide privacy when needed. Residents are encouraged to bring their own personal items to create more familiar surroundings and make themselves more comfortable.

A full personal laundry service is provided and our team of domestic staff ensure that all rooms are fully serviced to a high standard. A hairdresser visits the home once a week and for those wishing to keep up with the news we will arrange for newspapers and magazines to be delivered.
