

EAC National Housing for Older People Awards

WHAT THEY ARE NOT..

NOT a beauty contest

Over a third of Awards go to schemes over 25 years old.

Gold Award 2017:

Castle Hall, Hull, built 1980

Bronze Award 2017:

Merryfield Court, Tonbridge, built 1992

Silver Award 2017:

Bowler Close, Bradford, built 1979

NOT tenure biased

Over two thirds of Awards go to social rented schemes, mainly the traditional 'sheltered' ones that still make up most of our current stock.

NOT decided by landlords, managers or developers

Nominations can be made only by residents, their families and friends, and on-site volunteers and staff. And residents' votes carry double weight!
