

Leasehold Vacancy Advertising

The retirement housing search facility on EAC's website www.HousingCare.org includes almost all retirement housing ever built in the UK, whether for sale or rent, and is used by over 17,000 people a day.

Our advertising service draws users' attention to available properties in a number of ways:

- Quick search via our **full availability listings** for England, Wales, Scotland and Northern Ireland, broken down into Counties and Districts;
- Select to view '**vacancies only**' in any advanced search;
- Availability details shown on **scheme details page**, however accessed.

Advertising an individual property for 3 months costs £50 + VAT (**£60.00**). Please contact Alex Billeter at EAC for a quote for multiple properties or longer periods: alex.billeter@eac.org.uk. Tel: 020 7820 1682.
