If you do not want to arrange meals privately there are other ways you may be able to get a meal delivered to your home:-

- Contact your local social services or council to see if you would be eligible for a hot meal delivery service (meals on wheels). They may also have local arrangements for the delivery of frozen meals.
- Your local Age Concern may run, or know of, lunch clubs you could attend.
- The Women's Royal Voluntary Society (WRVS) sometimes provide meals services. Tel. 02920 739 000 for details of your local branch. You may need to be referred by social services.
