# Sheltered Housing for Older People

It's not what you think!

- Independence – freedom to come and go as you please
- Own self contained accommodation
- Security – alarm system for help in an emergency
- Safe and secure surroundings – most have entry phone systems
- Scheme Manager – provides regular support
- Extra support as or when you need it
- Social activities with people of a similar age

**Haringey has various sheltered housing schemes, which are run by the Council or by housing associations.**

If you are a Council, private or housing association tenant over 60 years of age with support needs and would benefit from the support sheltered housing provides, please contact us and we will arrange a home visit.

Property owners who would like to be considered for sheltered housing should contact us for advice.

Ask for a copy of our brochure entitled 'A Guide to Supported Housing for Older People & People with Disabilities in Haringey'. It is available from Supported Housing Assessments, Customer Service Centres, One Stop Shops and libraries.
