Mission

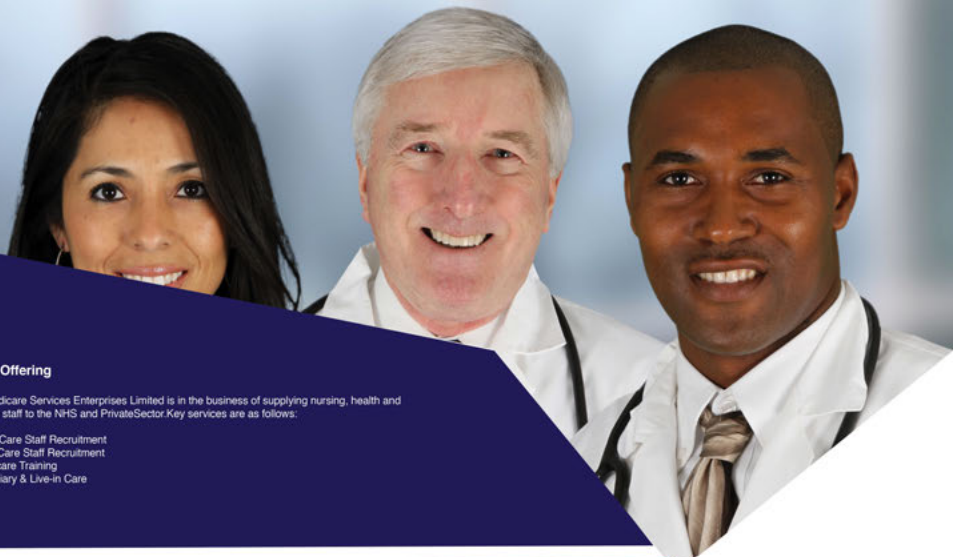

The mission of Linday Medicare Services Enterprises Ltd is to be the leading nursing staff solution provider for Health and Social Care staff in the London area. Our aim is to make a contribution towards easing staffing problems in Hospitals, Nursing Homes, Mental Health Units and the community by providing a professional, quality, and cost effective service with a caring and humane touch.

The Company aims to provide unrivalled, fair advice and quality services that is of benefit to people looking to improve their lives. Linday Medicare Services is committed to continual development of working practices and procedures to ensure all services are up-to-date and of benefit to all concerned. We recruit and retain the most highly qualified and experienced staff using a rigorous selection procedure. We also aim to develop staff skills to their highest potential through regular skills updates, induction and appraisals.

Our Values

- Dignity and respect: The uniqueness and intrinsic value of our clients is acknowledged and each person is treated with respect.
- Independence: Clients have as much control as possible over their lives whilst being protected against unreasonable risks.
- Rights: Clients individual and human rights are safeguarded and actively promoted within the context of services delivered.
- Equality and diversity: Clients are treated equally and their background and culture are valued. The services provided by Linday Medicare Services fit within a framework of equal opportunities and anti-discriminatory practice.
- Choice: Clients are offered, wherever possible, the opportunity to select independently from a range of options based on clear and accurate information.
- Consent: Clients have a legal right to determine what happens to them and their informed, genuine and valid consent to the care and support they receive is essential.
- Confidentiality: Clients know that information about them is managed appropriately and that Linday Medicare Services respects confidential matters.
- Safety: Clients feel as safe as is possible, in all aspects of their care and life, and are free from exploitation, neglect and abuse.
