

ABOUT US

Bring Me SunShine is a unique organisation providing Home help and Companionship, for people within the community. Making a difference and improving quality of life with a high quality service.

Receiving help at an early stage when tasks may start to become more difficult or unmanageable, using this service can prolong or even prevent the need for more personal or long term care.

If you feel lonely, isolated or would like to see a friendly face more regularly then this service could be right for you. Using knowledge and experience within the health and social care Bring Me SunShine expands the options available within the community.

BENEFITS

Struggling to carry out tasks you can no longer manage may lead to injury, strain or long-term bad health, our companions can carry out these tasks so you don't have to.

Receiving companionship, stimulation and friendship can encourage well being and happiness. This service could be suitable for someone you assist, somebody you know, or you feel you deserve a rest. please contact us for more information on how we could help you.
