

Good Companions

LEADING QUALITY CARE

Hello,

Thank you for taking the time to look at the Good Companions brochure which details the care and support we can offer you.

Good Companions Healthcare Group (GCHC) is a leading independent provider of health & social care and support services for people of all ages. GCHC is one of the fastest growing registered specialist provider of Care at Home Services in the United Kingdom.

Homecare should promote and develop the independence of Service Users by encouraging individuals to do as much as possible for themselves and take part in social activities. There is a greater move towards person centered services, which gives greater choice and control to the Service User regarding their care.

Good Companions follow stringent policies and procedures including the recruiting of care staff and provide appropriate training to ensure that staff can deliver care safely and effectively.

All our staff have an enhanced criminal records checks (DBS) and we are inspected, monitored and regulated by the Care Quality Commission (CQC).

If you would like more information or would like to speak to a member of the management team please do not hesitate to contact us.
