Our Promise To You

At Taylor Made Healthcare we recognise the importance of building and maintaining relationships, Our service that puts the client at the forefront of everything we do. We understand that allowing someone into your home can be a daunting experience that's why we will work with you to devise a bespoke service that is designed for you.

We pride ourselves on delivering what you need, when you need it.

Home care services are a realistic option for most individuals who need support within their own home. For many people care isn't something that is welcomed, more of a necessity when all other options have been explored.

At Taylor Made Healthcare we aim to offer solutions to allow our clients to live the life they choose whilst remaining within the comfort of their own home.

Care at home comes in many forms, some people only require a small amount of time to assist with household tasks.

Others may require a service that is more regular that covers longer visits including overnight care or live in support.

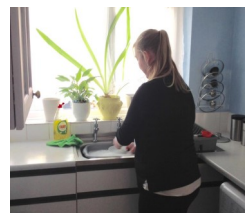

Our care service is designed to meet the needs of many different people. These Individuals can be people who have a physical disability, learning disability. We offer respite services along with services for older adults.
