

Childcare

A flexible range of childcare services are available, to help support busy parents maintain the balance between work and home life.

Comprehensive
care for all of
life's journey

At SureCare, we're committed to providing exceptional care services for all stages of life's journey. This includes a range of childcare services that can be adapted and tailored to meet your specific requirements.

We offer anything from mobile crèche facilities to babysitting services and occasional pre or after-school care – it's our mission to make sure we've got busy mums and dads covered.

Services for all your childcare needs

When it comes to looking after your little ones, it's vital for busy parents to find a service that is not only of high quality, but also one that is flexible and affordable.

Our services include traditional childcare, babysitting, mobile crèches and holiday care. All of our babysitters and childcare practitioners are rigorously DBS checked and vetted by us.

We provide special training to ensure our staff are fully equipped when it comes to safeguarding children.

The care your children receive is tailored to meet both your individual needs and theirs. We can provide our services around your schedule to ensure you and your children receive the appropriate level of support from SureCare.

Mobile Crèches

We run fun and fully equipped mobile crèches for children aged from three months upwards. Whatever the occasion; whether it be a wedding, work event or family celebration, let SureCare support you and your guests.

Our crèches can provide a range of activities to keep your children entertained, throughout the course of your day, knowing they are in safe hands.

Babysitting

Our babysitting service is designed for children of all ages and can be used on its own or added onto our other services, such as mobile crèches. Our friendly staff are fully trained, giving you complete peace of mind.

If there is a service that you require that is not listed here, please get in touch with us to discuss your requirements
