

Charter House

Resource Centre & Sensory Room

A new chapter for Charter House

Charter House Resource Centre and Sensory room have moved. We now have more space, more facilities and have expanded our services.

Charter House is a fantastic day care centre for adults with special needs and disabilities, the elderly, and people of all ages with dementia. Our main values are to learn, socialise and have fun!

We provide a safe environment to develop interests, meet people, form friendships, try new experiences and join in with structured and meaningful activities. All tailored to the individual with the support and care of a dedicated team of professionals.

We have a brand new state-of-the-art multi-sensory room with fantastic equipment providing unique sensory experiences to people of all ages and abilities.

To find out more call now or drop in and see us.

Multi Sensory Room

This is a Sensory Room built for real users in a practical environment.

Our multi sensory room is designed and equipped to suit the needs of both young people and adults who may have visual, language or behavioural difficulties, learning disabilities, emotional needs or autism as well as those suffering from Dementia.

The sensory room can be calming or stimulating. User interaction develops skills such as understanding cause and effect,

hand-eye co-ordination, tracking skills and shape, colour and number recognition.

The room is tailored to suit each person.
