On Point Healthcare

Providing Healthcare Professionals | Amazing Care, Always There

About Us

On Point Healthcare was founded by healthcare professionals, dedicated to providing the best possible care to anyone and everyone that needs it. Every member of our team genuinely care for every patient and we are committed to delivering candidates that will provide an empathic service to help them maintain their independence and improve their quality of life.

Our Team

Our team has a combined thirty years experience in the Healthcare industry, with Full mandatory training, care certificate, safe handling of medicine and manual handling certifications, as well as level 2, level 3 NVQ qualifications. We also have level 5 management skills and continue to invest in our people to ensure all training is kept current. With our experience and skills, our healthcare professionals are trained & prepared to help with any care needs you or your loved ones may have.

Healthcare Services:

On Point Healthcare strives to provide well-trained and caring healthcare professionals to help with various healthcare needs, from supporting staff to care assistants. Our staffing solutions are available to clients throughout the West Midlands and the surrounding areas, including a wide variety of specialist fields.

Personal Home Care... with the flexibility of having care within your home means being able to stay in the comfort of your own home. Whether it be hourly, daily or weekly visits that are required, we can support you & your loved ones.

Elderly Care... If you or your loved one needs some extra support from companionship, right through to specialist nursing care. We at On Point Healthcare can provide this dedicated service for you.

Nursing Care... Within our professional team of staff who are trained thoroughly and to the very highest standards, we feel that we are prepared for and able to deliver outstanding care for everyone needing a service that empathises with each and every service user.

Emergency Care... On Point Healthcare understands that there will be times that an emergency care call may be needed or put in place which is why we are always prepared to go that extra mile to give to families for extra peace of mind.

Bridgtown, WS11 0EL **HO:**

Palliative Care... We understand how upsetting & distressing it can be to see a loved one with a terminal illness and how this affects them. We can be there to help & support with our specialist team to help & support where ever needed.

Disability Care... We can assist young people from 18 years upwards to live happy & fulfilled lives. This can be done in the service users home or any where needed by the service user.

Home Care... We can provide private homecare staff to help you care for yourself or a loved one. If you are struggling with taking care of yourself at home but wish to stay in the comfort of your own home, then our well trained care assistants can help you.

Health Care... We specialise in providing highly trained healthcare staff that can easily be placed in any facility. Our staff can perform any necessary duties of working at your care home and are well equipped to fit into any role that will improve the lives of your residents. We take exceptional care to recruit only the very best candidates, the most empathic and caring staff to ensure you have the very best possible care service for all your residents.

On Point Healthcare

- **We are a 'no frills' recruitment agency**

We develop honest working relationships with all its clients & candidates. We keep in regular contact and provide 'no holds barred' feedback. We encourage honest feedback to ensure we give only the very best service to our clients, service providers and staff. We don't sugar coat the tough stuff. We invite you for a coffee and a chat to discuss the service, what you love and what you need to make the service you receive from us even better.

- **Years of Experience**

We, at On Point Healthcare have worked in the Health & Social Care industry starting as support workers, managers, head of operations up to managing directors. We know how important great care is and that everyone deserves to be treated in the most kind, caring and empathic way possible. We really do care.

- **Qualifications**

We, and our staff range in qualifications to include Level 5 Leadership & Management in Health & Social care, managing difficult behaviours, safeguarding vulnerable adults, health & safety risk assessments personal care, nursing care, palliative care, disability care to name a few. We provide on going training & ensure all qualifications are kept current.
