

SIRIUS
HOMECARE

You deserve care that makes a difference.

Keeping you and your loved ones
safe, happy and in your own home -
without the need for residential care.

We're family, when family can't be there

-  We offer a personalised service - you make the decisions about your care
-  We carefully match carers to clients and introductions are made in advance
-  Our care is never rushed - from a 30 minute visit through to 24/7 care
-  You choose whether your carer/s wear uniform or not (discreet service)
-  Unlike most care providers, we charge the same rate 365 days a year

Contact us today to discuss your needs or to arrange a free care assessment:

Staying safe

We recognise that having any visitors in your home right now can be a worry. All our carers undergo extensive training on COVID-19 and infection prevention and control. When visiting your home, they'll come fully equipped with the appropriate PPE. You're in safe hands.

Staying in touch

We can help you make videocalls to your family and friends.

We'll bring the technology with us and call your loved ones at a pre-agreed time.
