

**is a respected provider of qualified Domiciliary and Care Home Workers throughout East Anglia.**

Our business has built its reputation for a quality service within the care sector due to our:

- Personal approach to our customers and staff
- Reputation for honesty, integrity and attention to detail
- Proven quality systems
- 24 hour on call service
- Strong financial stability
- Unprecedented staff retention
- More than 20 years' experience within the care industry.

All our Carers are reference checked and undergo an enhanced DBS check. They are all given full training as specified by the Care Quality Commission (CQC) with many trained to QCF Level 2 standard. We believe that everyone has the right to live in a way that makes them happy, whether in their own home or in residential care setting. Our in house training team are constantly updating their workshops to ensure it is fresh and current. Our office teams pride themselves on strong communication skills and building long lasting relationships.
