

Violet Home Care

WHO ARE WE?

We are a fairly new care agency. We are a family business, where caring is our way of life. With the constant growing number of older generations, there is a growing demand for carers. We have firsthand experience of taking care of family members within our family, and as such would like to share our passion for caring for others.

We recognize that everyone has different needs and hence require personalized care.

Our carers are screened and trained to ensure and provide security of the individual and family. Regular checks are carried out to enable us to provide high standards of service, quality of care and support.

We offer services which range from a 30-minute visit to 24 hours live in, 365 days – 24/7.

WHAT WE DO?

Violet Home Care provides care for the elderly and those with minimal mobility. We strive to give our clients the independence of a daily normal life within the comforts of their own home.

Our aim is to provide customized care plan as per the client's requirements.

Following are some of the many services that we can provide:

- Help with Personal Care and Hygiene
- Meal Preparation
- Outings to friends, family, and walks
- Shopping e.g. grocery or personal
- Washing & Ironing
- Cleaning the home
- Help with medication
- Live in Care
- Overnight Care
- Medical Appointment

As a care agency, our focus is on the delivery of personalized care and meeting each client's needs, and as such we make sure that our carers are provided with regular, updated training and techniques to not only serve you better but also enrich our carers' careers.

We are available for a friendly chat from Monday to Friday, any time between 9.00A.M. – 5.00P.M
