Driving Miss Daisy can help with:

Day trips and wish lists

Do you have a list of places you'd like to visit but have never managed to organise? Just tell us where you want to go and we'll plan the whole journey including entrance fees and refreshments.

We'll ensure you have a great time and create some lovely memories in the process!

Weddings, funerals and family events

Local or long distance, we can stay throughout the event so you can leave when you want to.

Assisted shopping trips

We can accompany you to the shops, push your trolley at the supermarket or unpack your bags at home if needed.

Appointments

Hospital, doctor, hairdresser; whatever your appointment we will ensure that you get there on time.

We can also take the worry out of a hospital visit by accompanying you to the department and waiting while you speak to a practitioner.
