Access & Safety

Horizon™ offers optimum accessibility and safety.

The unique *EasyGlide™* ramp simply pulls out from the rear floor of the vehicle, meaning you can have a standard car one minute and a fully wheelchair accessible vehicle the next.

Horizon™ offers a low ramp angle for ease of access, whilst still being ultra-strong and simple to use. Once inside, the wheelchair user is secured by high-quality front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety.

- 1 » Specially lowered floor, for optimum accessibility
- 2 » Lightweight, easy-to-use, pull-out ramp
- 3 » Electric assist winch available
- 4 » Space for driver, four seated passengers and wheelchair user

Model Choice

Need more seating space?*

Add two foldable seats either side of the wheelchair passenger.

Allied Mobility understands that everyone's needs are different. With that in mind, we have designed two different Horizon™ WAV sizes for you to choose from; the Standard and Plus.

Standard

Our popular RS model cleverly combines full original Peugeot seating with the ability to create wheelchair space quickly and easily by folding the rear seats forward.

Alternatively, for a longer or wider wheelchair or powerchair, the RE model is the perfect choice. Either one or two slimline rear passenger seats can be added, depending on the size of your wheelchair.

Plus

Peugeot Horizon™ Plus is ideal for larger families who need additional seating. The RS Plus retains Peugeot's original seating and unlike the standard Horizon™, the rear seats do not need to be folded forward.

Help & Advice

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 20 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are there to help you and can provide a free home demonstration on the vehicle(s) of your choice, wherever you live.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information. Our unique *Allied Aftercare™* support also includes a four-week follow-up check and annual safety inspection. You'll also have access to our seven-day helpline and a nationwide network of Peugeot dealers.

Your Home Demonstration

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

Your Allied Mobility Journey

- 
-  First, we discuss your wheelchair accessible vehicle requirements with you, over the phone.
 -  We bring a suitable vehicle to your home for a free demonstration, at a time that suits you.
 -  If the vehicle is suitable - great! If not, we're happy to bring another model for you to try.
 -  Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.
 -  Our mobility team will give you a call when the vehicle is ready. We'll arrange delivery on a date that suits you.
 -  We'll give you a refresher on the accessibility and safety features of your new car. Now it's time to hand over the keys!
 -  Around four weeks later, your local mobility consultant will pop back round for your familiarisation check. They can help with any questions you still have about your car.
 -  Our Allied Autocare team will provide an Annual Safety Check on the adapted features of your car. They can even offer to fully service your car, at your home address.

For further information or to arrange a free home demonstration give our mobility advisors a call, email us or visit our website.
