BRONTE HOUSE

ENRICHING LIVES EVERY DAY

Inspired by personal experience, designed by people with lived experience.

Our story is underpinned by **personal experience and an unwavering passion** to make a difference to the lives of older people, people living with dementia and those that support them. Passionate about enabling people to continue to live at home, we provide **compassionate, flexible and innovative care** which is tailored around the **unique needs, preferences and choices of each individual**. We co-produced Bronte House to ensure it was **designed around what people want and need**.

If you have any questions or would like to discuss how we could support you, please do get in touch. I would love to hear from you.

Chantal Kinsella
Founder and Registered Manager

“Brilliant service... very caring and professional, passionate about their job... it was lovely to know that my mum was looked after so well and cared for whilst I was away.”

Daughter of client - respite care

“Just amazing - so caring, kind, dignified, friendly... the professionalism of staff and documentation. Dealing with [N] and health professionals extremely professionally. Fantastic communicator. Thank you very much for the experience you gave [N].”

Family member - respite care

“Highly satisfied with the care and attention given to my wife. This includes flexibility on times... compliance with attendance...continuity of care - particularly the same person attending... this ensures ‘peace of mind’.”

Husband of client - hourly care

“A breath of fresh air... nothing is too much trouble, very flexible to our needs.”
