

Live-in Care

life the way you like it!

You or your loved one may be needing a little **extra care** and support at home, or you may be looking for more **specialised** help.

With our **Live-in Care** service, you can receive the care you need, in the way you need it and **exactly when** you need it!

Live-in Care is the **ultimate care solution** for when you need more **support** than regular care visits can provide.

When you find yourself in need of care, the first thought is often to think of a residential care home. However, there is a far better solution!

Home care provides the care you need and keeps you safe and happy in the home you love. What's more, Live-in Care provides the **ultimate flexibility** to live life the way you want to, whilst still receiving the care and support you need. With no set times to adhere to, you really can live life your way!

“*Sometimes, I like a late lunch, or to enjoy a lie in. With Live-in Care, I know I can!*”

What is Live-in Care?

Live-in Care is the **ultimate** care solution providing you with your own **personal** care assistant that lives with you in your home providing **personalised care** exactly when you need it and tailored to your individual needs.

Your dedicated Care Assistant is matched to your needs, preferences and personality to enrich and compliment your lifestyle. You build a close relationship that is likened to family. They will learn and understand what you like and what you dislike and because they are living with you, you can feel assured that you are not alone.

Benefits of Live-in Care

- Stay safe and protected in your own home
- Ultimate flexibility
- No need to fit into a set schedule
- Peace of mind and reassurance
- Combats loneliness
- Regular respite for family members
- Recognition of any change in behaviour or health
- Live your life with the added benefit of personal, bespoke care

Our Care Assistants bring with them knowledge, expert training and a personality that delivers compassion, smiles and laughter too!

You will provide your Care Assistant with their own room where they can have privacy and relax when they are not working. In return they will ensure it is kept clean and tidy and will respect the safety of your home by following security instructions and personal preferences.
