# About our service

At Bluebird Care, we're transforming dementia care by focusing on both emotional and physical wellbeing. Our approach goes beyond tasks; we create meaningful relationships between customers and Care Experts that enhance quality of life for everyone involved.

Our commitment includes:

## > Clinical oversight

Healthcare professionals supervise our care delivery, ensuring best practices and robust governance that gives families and partners complete confidence in our service.

Our enhanced  
service

## > Expert training

Through our training academy, Care Experts achieve nationally-recognised and accredited qualifications in dementia care, ensuring skilled, knowledgeable support for every customer.

## > Digital monitoring and reporting

Monitoring and reporting technology enhances patient safety and enables more personalised, efficient care while keeping families connected.

## > Personalised planning tools to tailor care

Evidence-based assessments help us create nurturing environments that promote independence while ensuring dignity. We work side-by-side with customers and families to develop tracked and fully-flexible care plans that integrate preferred routines and engaging activities.

Why choose  
Bluebird Care

## Why Bluebird Care?

Because like you, we believe your patients deserve more than just care – they deserve a life filled with joy, comfort, and connection. Bluebird Care provides expert dementia care that prioritises individual wellbeing, empowering your patients to live fulfilling lives at home.

- > **Person-centred approach:** We tailor care plans to each individual's unique needs and preferences, incorporating favourite activities and routines to promote a sense of comfort, normality and purpose.
- > **Skilled and compassionate Care Experts:** Our highly-trained team provides specialised dementia care with empathy and respect, fostering meaningful relationships that enrich lives.
- > **Clinical excellence:** Our care delivery is overseen by healthcare professionals, ensuring the highest standards of quality and safety.
- > **Peace of mind for families:** Knowing their loved ones are receiving exceptional care allows families to focus on spending quality time together as the husband, wife, daughter or son they should be.
