

Stratford-upon-Avon

Your Local Home Care Provider

01789 224 429

We are ranked #1 on [homecare.co.uk](https://www.homecare.co.uk) in both Stratford-upon-Avon & Warwickshire. We are also the only home care provider in Warwickshire to be accredited top 20 in the Midlands for 2025.

Why Choose Us?

- We prioritise continuity of care, the same dedicated care professionals return to the same customer consistently so trust and friendship can flourish.
- Our team combines maturity, experience, and compassion, backed by specialist training in dementia, motor neurone disease, Parkinson's, strokes, and other complex conditions.
- Our carers are always on the move, supporting customers at appointments, on shopping trips, social outings, or even just enjoying a coffee together.
- We're proud to hire local people to care for local residents, keeping our service truly community-based with familiar faces who understand and share its local values.
- Whether the support you need is personal care, respite relief, companionship, housework, freshly prepared meals or live-in care, our team are here to help every step of the way.
