When care becomes necessary, everything can feel overwhelming.

- Unsure who to trust
- Worried about safety and consistency
- Under pressure to arrange care quickly

You don’t have to figure this out alone.

At NeeryVille Care, we take control of the process from the start, bringing clarity, structure, and reassurance when you need it most.

Why families choose NeeryVille Care

One-to-one care, in the place that matters most your home.

Live-in care provides continuous, personalised support without the need to leave familiar surroundings.

- **A dedicated carer living in the home**
- **Support tailored to routines and preferences**
- **Care available day and night**
- **Comfort, familiarity and independence maintained**
- **Ongoing monitoring to ensure consistent, safe care**
- **Immediate action if anything needs to change.**

This is care built around the individual, not the system.

Our Live Well at Home Guarantee

Because peace of mind matters as much as care itself

Choosing care is a significant decision. That's why we've built in protection from the very beginning.

With our 14-Day Live Well at Home Guarantee, you can move forward with confidence.

- **Care tailored to your loved one's needs and lifestyle**
- **Carers matched based on experience and compatibility**
- **A dedicated family liaison supporting you throughout**
- **Immediate response to any concerns**

If it's not the right fit, you are never locked in. You can end the placement within 14 days, with no notice and no fees.

We don't just provide care. We take responsibility for making sure it works properly.

Our Services: What is included in live-in care

A comprehensive, personalised care solution

- 24/7 care and companionship from a dedicated live-in carer
- One-on-one support, day and night
- Personal care (washing, dressing, toileting)
- Medication administration and management
- Mobility support in and outside the home
- Help with meal preparation, cooking, and cleaning
- Running errands and attending appointments
- Specialized care for conditions like dementia

We tailor our care to suit the unique needs and routines of each person.

With the goal of enhancing independence, wellbeing, and quality of life.

Live-In Caregiver Selection:
How we find the right match

A process as personal as our care, in four steps.

1 Understanding Your Needs

We take the time to learn about your loved one's personality, preferences, care needs, and daily routines.

2 Expert-Matching

Based on our thorough assessment, we handpick a carer whose skills, experience, and demeanour best fit your requirements.

3 Personal Introduction

We arrange a meet and greet with the selected carer, to ensure they connect well with your loved one and family.

4 Ongoing Evaluation

Even after the placement begins, we regularly check in and adjust the care plan to ensure it remains perfectly suited.

Care that fits seamlessly, as if they've always been part of the family.

We prioritize stable, reliable relationships by finding the best match right from the start.

Why CQC regulation matters

To become a CQC regulated provider, a care company must:

To become a CQC regulated provider, a care company must:

- Meet strict legal standards for safety and quality
- Demonstrate robust care planning and risk management
- Ensure all staff are trained, vetted, and competent
- Have safeguarding, medication, and governance systems in place
- Operate under ongoing regulatory oversight

What this means for you

NeeryVille Care operates in full compliance with CQC regulations.

This means your loved one's care is:

- Safe
- Structured
- Professionally managed
- Continuously monitored

Care is not left to chance. It is controlled and accountable.
