

Our strong presence in the care sector allows us to provide a full Management and Consultancy service to care home owners which is unmatched in experience and expertise.

“At Agincare you will find a professional and responsive team, who know the market and have a proven history of delivering financially viable and effective quality services”

Established in 1986, Agincare has gradually expanded the range of services in response to clients' ever changing needs. With our wealth of experience and proven management team, Agincare is able to offer a Care Home Management Service to care home owners who, for whatever reason, wish to place the running of their Care Home with one of the largest Care Providers in the UK.

With our knowledgeable and experienced staff in both the Business and Care Sectors, anyone using our services gets a combination of high quality care and professional management not to be found elsewhere.

You can choose a service or a range of services you want from:

- Accounts
- Payroll
- Generalist Human Resources
- Recruitment
- Training
- Commercial and Contracts
- Quality and Compliance
- Senior Management Consultancy
- Clinical Support and Overview
- Business /Operations Reviews
- Regular Management Audits
