DIGITAL AT HOME

Sleep tight Day & night

Live the life you want, safe in the knowledge
that help is on hand whenever you need it.

Connected Living - Digital At Home is a
digital monitored home alarm unit and pendant.
With the press of a button we will reassure you
and get the help you need quickly.

SIMPLE & EASY

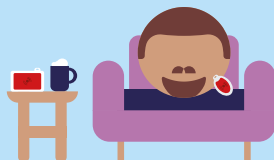

Connected Living - Digital at home

What are the benefits?

Our service gives you the reassurance that help is on its way should an emergency occur, while allowing you to continue living independently.

How does it work?

The Alarm unit uses a SIM and doesn't need a landline to work.

Step 1

Press the button on the unit or pendant to call our specialist team.

Step 2

We are on hand straightaway.

We will listen to your needs and will call your nominated contact, carer or emergency service dependent on the situation.

We are here for you.

Our people are the best; we are friendly and reassuring. With years of experience, we are ready to take your call, 24/7.

How much does it cost?

£20.00* per month

You connect £30.00*
(postal and registration)

*all prices are subject to VAT

Aster connect £60.00*
(installation and registration)

If you are disabled or have a long term illness, you are likely to be exempt from tax.

Accredited and audited by the Telecare Services Association (TSA).
