

**Whatever your age
Whatever your need**

**Arun
Lifeline**
your local telecare provider

**Arun Lifeline helping you to live safely
and independently in your own home**

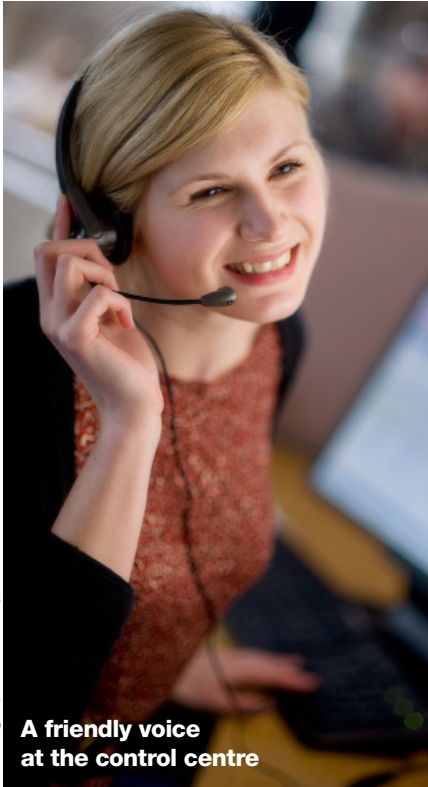

“

... thanks for providing a really excellent service which has saved my mother's life on more than one occasion.

... It's reassuring to know that if I press my button someone can hear what's going on and get help to me and my young daughter straight away.

...I would like to take this opportunity in thanking you for providing such a helpful service as it has given our family peace of mind that should Mum need assistance it was only a press of a button away.

”

**A friendly voice
at the control centre**

What is Arun Lifeline?

Arun Lifeline is a telecare service provided by Arun District Council which helps and supports you to live safely and independently in your home.

How does it work?

The Lifeline unit allows you to connect through your telephone line to a team which is on hand 24 hours a day, 365 days a year, to deal with your emergency.

We will supply you with an emergency button that you can wear either as a pendant or on your wrist. Other equipment, such as a bed occupancy sensor or a smoke detector, can be provided if you need some extra help.

Press the button and get help and peace of mind within minutes.

Want more information?

Starting from as little as £3.50 per week, Arun Lifeline offers very competitive rates. Your benefits include:

- free installation
- monitoring and maintenance inclusive in the price
- short or long term rental
- no fixed term contract

Contact our office to arrange a demonstration or book an appointment online.
