## Step-down from hospital accommodation

Ready to leave hospital but  
can't go home? Tailored  
support and accommodation  
available.

**Curo's Step-down from hospital accommodation is designed to offer a home from home for patients in Bath and North East Somerset who are ready to leave hospital, but need to stay somewhere with a little more support.**

Curo has six apartments for patients throughout Bath and North East Somerset all furnished to a high standard.

The apartments are offered free to patients for up to 12 weeks with fully funded care and support packages to meet each person's needs.

**Transport** Curo staff can also come and collect people from hospital, transport them to the apartments and help them to settle in.

**Extra Care** Care packages are provided out of our local Extra Care Schemes by experienced and qualified staff.

Support from our Independent Living Service is also offered and tailor-made to the individual. All **FREE** as part of the package.

No bills or charges - just as if you're in hospital

## Key features

- Fully furnished apartment ready to move in to.
- Just like home - partners can stay and families and friends can visit any time.
- No charge at all to the patient. Includes a tailored care and support package, privacy and a quiet environment to aid rest and recovery.
- Comes with a fully funded personalised care and support package by reliable and experienced services.
- 24-hour personal response service close by at the push of a button.
- Fully adapted bathroom, equipped kitchen and wide-screen TV in each apartment.
- Practical and emotional support available through well-established services and trained, professional staff.
- We can help with a move to alternative accommodation if unable to return home.

## Who is Step-down for?

It is suitable for:

- People who are recovering in hospital but can't go back home.
- Patients with physical or emotional conditions that mean they need time to adjust to live independently again - with the level of care and support that they individually require.
- Patients who need to see how they get on with a care and support package in a place just like home.
- Patients who are recovering from a fracture or an operation.
- Patients can be of any age, gender and ability to access this accommodation as long as there is a space and they meet the criteria above.

It's not suitable for people who need to stay more than three months.
