

Personal Alarm Service

Our service covers Hampshire & Devon bringing our Lifeline, personal alarm solution to the attention of yourself.

- No contract
- Free demonstration
- 2 working days notice to install

We are confident you will be delighted with the quality of our service and our competitive prices, £30 install and £15.09 monthly.

We offer a complete range of sensors including:

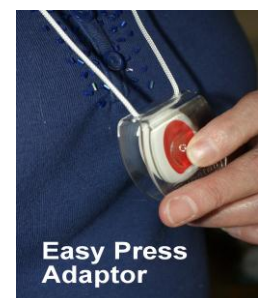

- Wireless Smoke Detectors
- Sensors that automatically detect falls
- Door left open alerts, and night wandering alerts

Feel free to call us on **02392 714966** or email us at e : lifeline@guinness.org.uk if you have any general queries (or you feel a face to face meeting could be useful)

Our service will be individually tailored to meet your specific needs, all you need is a landline and a power supply. Connection is simple and straightforward and takes less than 1 hour.

All you need is:

- a landline and power supply
- details of at least 2 key holders
