

Undecided whether to downsize or stay in your current home?

Surrey Senior Moves can help. We provide a wide range of services that are individually tailored to support you should you decide to stay put or move home.

Who are we?

We are two local women who are committed to providing a service that supports older people through a potentially daunting and emotional time with sensitivity and respect. One of us is an Occupational Therapist who is experienced in housing issues and anticipating the long-term needs of older people. We are both active members in the Elmbridge community, volunteer with meals on wheels and are CRB (Criminal Records Bureau) checked.

These are just a few of the things we may be able to support you with...

If you would like to stay in your home

- Advice on adapting your home to suit your changing needs.
- Planning and overseeing any building work or adaptations.
- Ongoing administrative support.

If you would like to move

- Choosing an estate agent.
- Finding you a suitable property to move to.
- Preparing your home for sale.
- Decluttering; deciding what to keep, discard or sell.
- Help with selling unwanted belongings and furniture.
- Appointing a removal company.
- Transferring utilities and redirecting mail.
- Overseeing the move day.
- Supporting you until you are settled in your new home.

All quotes are priced to match your individual needs but can start from as little as £50 for a one-off service.
