

What happens next?

Simply call us on **01823 325554** and:

- One of our trained team will talk to you to find out what level of support you require and how we can help.
- We will come and see you, carry out an assessment and create a personal support plan to make sure you receive the services you want, when you want them.
- We will then introduce you to your personal support team.
- Your support will begin at a time to suit you and will be regularly reviewed to ensure that we are providing the best support for you.

We have vast experience in working with individual budgets, direct payments and individual service funds. Whether services are purchased privately, funded by the NHS, or wholly or partly by your local council, we can help.

We can accommodate a wide variety of requirements, from the occasional hour or part of, up to 24 hours a day, seven days a week, 365 days a year. We are here to provide support based on your specific wishes.

So, contact us today to find out how we can help you, or someone you know, get the best out of life.

As an employer Carewatch treats everybody equally

Your guide to independent living at home

Welcome

Carewatch is the UK's leading provider of home care. For almost two decades, we have been helping people maintain their independence and wellbeing within the comfort of their own homes so that they can get the best out of life.

Support for all

Our services have been designed to offer an all encompassing solution for those requiring care and support at home. We recognise that everyone is different and that needs change, so our services are individually tailored and continually adapted; care as you want it, when you want it.

By understanding the needs of those we support and those of the family and friends around them, we are able to offer solutions which give peace of mind and reassurance to everyone.

“Because if life's worth living, it's worth living well.”

We can provide you or someone close to you with:

Practical Support

Help with everyday tasks such as:

- Shopping
- Preparing and cooking meals
- Cleaning and tidying the home
- Laundry and ironing
- Handling mail and bills
- Organising days out
- Respite care

Personal Support

Help with daily routines such as:

- Getting up and ready for the day
- Bathing and washing
- Dressing and appearance
- Assistance with managing medicines
- Settling in for the evening

Complex Support

Where needs become more challenging and support is required when:

- An individual is discharged from hospital
- End of life care is needed
- There are more long term needs such as Dementia
- There are multiple and intensive care needs
