

Foot healthcare

Enhancing well-being and quality of your life with high quality foot care in the comfort of your own home

The average person can walk up to 115,000 miles in their lifetime.

We offer high quality foot healthcare in order for you to keep on walking!

Our qualified foot healthcare practitioners can treat:

- Ageing feet
- Athlete's foot
- Callus (hard skin)
- Corns
- Diabetes (foot related)
- Fingernail clipping, cutting, trimming and filing
- Footwear advice
- Fungal nail infections
- Heel pain, fissures, dry and cracked heels
- Ingrown toenails
- Odorous feet
- Toenail clipping, cutting, trimming and filing
- Toenail reduction of thickened/bulky toe nails
- Verrucas

All in the comfort of your own home using specialist and sterilised equipment
