### About us

Oxford Private Care is a well-established, independent company with a reputation for providing high quality care services throughout Oxfordshire

- All our staff are Criminal Record Bureau (CRB) checked before they join us
- We are accredited and contracted by Oxfordshire Social and Community Services for many years
- We work with local doctors, district nurses and other agencies to provide a continuing care service
- We have over 100 qualified carers who receive regular training and monitoring.
- We employ other qualified professionals such as handyman, gardeners and hairdressers who have all had full training and many years experience

We are dedicated to ensuring that our services meet your needs so please contact us if you would like to discuss your requirements further or if you require a service not listed overleaf.
