

You are an individual... you deserve to be treated like one

So why choose Mayfair Care Services?

As a well established domiciliary care provider we understand it can be overwhelming when first considering care for you or a loved one.

We are here to help. With our in-depth understanding and experience in this environment we are able to provide the best advice available on the type and level of care and support you require.

Our aim is to provide a competitively priced, tailor made service delivered with excellence, compassion and competence leaving you confident in our ability to deliver and maintain the

highest standards of care and support from our friendly, motivated and professionally trained staff.

As a local and family run business we have a unique knowledge of the community and we supply our services not only privately but also to Essex County Council and the NHS.

Our services

Mayfair Care Services offer a wide range of competitively priced care and support services uniquely designed to support your lifestyle whilst maintaining your dignity and independence in the comfort of your own home, including:
