

Care For Feet provides Podiatry and Chiropody services for people with foot health concerns in the High Peak, Hope Valley and North Derbyshire area.

Description

Care For Feet is dedicated to improve foot health by providing excellence in patient care and continually striving to exceed expectations.

Our services include orthotic prescription for foot and lower limb pain, general foot and nail care including nail cutting service. We provide treatment for:

- Corns
- Callus
- Verrucas
- Fungal nails
- Ingrown toe nails

We also provide where indicated, baseline vascular and neurological foot assessments with a report to the GP.
