Who We Are

Supportmatch Homeshare Service is a fresh new way to provide community support, matching people who can give

support with those who need it.

Supportmatch is a not-for-profit limited company that provides low cost, high quality support.

Supportmatch helps relieve the impact of illness, disability, insecurity and loneliness. It is inter-generational mutual support.

Our support coordinators have over 10 years experience of delivering a highly professional service.

“ Our Mission

To provide:

- Reliable live-in support
- Proven and effective matches
- On-call support and monitoring for both the Householder and the Homesharer

What makes us different?

Our experience and sensitivity has enabled us to maintain a 100% success rate with our matches ”

What We Do

As a Householder you will have a spare room which can be offered to a Homesharer in exchange for 10 to 15 hours per week of companionship and some practical help around the

house.

Supportmatch brokers this arrangement, carries out reference checks, draws up an agreement between both parties and provides on-going support to the match.

The service is offered to Householders and Homeshares across London, Southern England and the Midlands.

For more information contact the Supportmatch Team from 9am to 5pm Monday to Friday
